

Open Lecture Programme: 'Resurrection: A Love Revolution'

The event of the resurrection of Jesus from the dead is a profound revelation of the love of God, which impacts and inspires the life of all those who seek to follow Jesus. Moreover, we'll see how the resurrection is a revolution of love that discloses God's version of power, subverts death, encourages equity, confirms the life and teaching of Jesus, promotes feminism, and is the heart of the Good News.

Luther King House is delighted to welcome **Edward Pillar** as part of our Open Lecture Series. Edward has served the congregation at Evesham Baptist Church since 1995, and has a particular academic focus on the meaning, relevance, and purpose of the resurrection, which formed the basis of his PhD studies.
