

2019 Whitley Lecture: From Theology to Theologies

It is now an undeniable fact that, demographically speaking, the centre of gravity of Christianity has shifted to the southern continents from its traditional heartlands in Europe and America. This lecture will look at the need for African, Asian and Latin American cultures to yield their deposits of grace in the service of the Gospel and theology, mine those deposits that God has left in every culture, and use them to create new disciplines that will strengthen the Church.

Luther King House and Baptists Together are delighted to welcome **Joe Kapolyo** to speak at the 2019 Whitley Lecture. Joe is the recently retired Lead Minister of Edmonton Baptist Church, London. He currently chairs on the Board of Ulting Trust Overseas.
